Portfolio | of | Real | Estate | Investments

3/20/2023

The REAL Opportunity not only has partners that we work with to offer bridge loans and profit sharing in their real estate deals, but also has the full support of the assets of Drive Planning's own Portfolio of Real Estate Investments.

In addition to this, Drive Planning - as the custodian and manager of the REAL Opportunity - keeps millions of dollars in cash for future opportunities and to insure over 50% of the promissory notes for any given year.

Below is an up to date list of the collateral that Drive Planning has secured to insure the REAL notes in addition to that made by our partner The Embry Group.
